

*Your Donation
Can Change a Life*

Through the YMCA Strong Kids Campaign, people just like you come together to make their community stronger. Donations to the Strong Kids Campaign allow the YMCA to provide membership and program assistance to kids and families who might not otherwise be able to afford to pay for YMCA services.

How Can You Make an Impact?

You can *invest* in a child who is just learning to swim, shoot basketball or make new friends in YMCA youth programs. Your investment will yield a child who is a little safer, a little wiser and having a lot more fun!

You can *give* a teen the opportunity to learn valuable leadership skills and build relationships through values-based YMCA teen programs.

You can *allow* families to have peace of mind by giving them access to the safe, family-oriented YMCA, where people of all ages can relax, play and connect.

You can *share* the YMCA with others in the community who can benefit from programs that build healthy spirit, mind and body.

By contributing to the annual YMCA Strong Kids Campaign, you are making a difference in the life of a child today and in our community for tomorrow.

Each dollar contributed to the YMCA Strong Kids Campaign goes directly to making YMCA programs and membership available to those in need. Please help us help kids. Your tax-deductible donation makes a difference!

Camp Robbins

Matthew and Taylor are living proof that lives are changed for the better every day at the Newburgh Family YMCA! Left home without any supervision, Matthew and Taylor created lots of stress for their mom Karen, a single parent and the entire family. She worried that her children were not in a safe environment. With limited funds, Karen applied through the YMCA's financial assistance program and was able to sign both kids up at Camp Robbins last summer. Matthew and Taylor learned the ropes courses, participated in team sports, met new friends and enjoyed values-oriented activities in a structured setting. Thanks to the Newburgh Family YMCA, both teens entered the past school year with a sense of accomplishment and positive empowerment!

Y-Scoop Childcare Program

Raquel B., a first grade teacher at one of our 13 after school sites congratulated the YMCA for turning one of her students around. Anthony was having behavioral problems, as well as academic difficulties in the areas of reading, writing and math. Soon after enrolling in Y-Scoop he began to complete his homework, his behavior improved tremendously, and as a result he became a peer helper in the classroom.

The Y gives kids like Matthew, Taylor and Anthony a place to belong and to live the values that guide them: caring, honesty, respect and responsibility. Your gift will make a difference in the lives of so many youngsters.

Thank You!

The Newburgh Family YMCA serves more than 3,500 youth and their families each year.

Please write to the Newburgh Family YMCA if you wish to have your name removed from our mailing list in the future. A copy of our latest annual report may be obtained by request.

YMCA Programs – Making a Difference

We believe that every child deserves the experience of YMCA programs, regardless of the financial difficulties their family might be facing. YMCA programs such as child care, camping, swim lessons, youth sports and teen leadership programs do more than teach skills. They also teach confidence. They teach responsibility. They teach young people to be strong in spirit, mind, and body. These experiences stick with kids, helping them to grow into healthy, contributing adults.

Help Us Help Them

Please consider a tax-deductible donation to the YMCA Strong Kids Campaign. Your support provides the funds that allow us to offer membership and program assistance each year. Your generosity helps us to make a difference in the community. You can be part of that difference. Please give today!
